

SMI is a small organization with minimal operating overhead. We want to sustain our ability to meet the language-competence and career-training needs of Maine's immigrant and refugee communities.

Support from individuals, businesses and foundations are needed to ensure that SMI can grow and meet the needs of the area employers and scholarship recipients. Over the years, SMI has awarded over 400 scholarships and \$200,000.

WON'T YOU HELP?

YES! I want to support SMI to ensure that those new to our country will be able to attain the language and career skills they need to succeed.
